

## Rules for 2010 Year End Awards

Rider must be a CURRENT member of SNHDCTA when score is earned for scores to be eligible.

Dressage competitors must compete in one of the SNHDCTA dressage schooling shows to be considered for awards.

Combined Training competitors may submit scores from area 2 (or 3) phase shows that follow USEA rules.

Club members may choose to attend any show which is open to the public (no in house schooling shows) and have their scores count toward year end awards.

Horse/Rider combinations who have previously won a year end division ARE NOT eligible in that division (e.g. Intro Champion horse/rider combination may not submit scores for Intro).

Scores must be submitted on official score tracking forms. Score tracking forms are included in the newsletter or on our web site at [www.snhdcta.org](http://www.snhdcta.org).

Scores need to be earned by one horse and rider combination. Scores submitted from multiple horses will not be accepted.
