

## Rules for 2011 Year End Awards

Rider **must** be a **CURRENT** member of SNHDCTA when score is earned for scores to be eligible

A copy of your membership card **MUST** accompany your year end awards submission sheet

Dressage competitors **MUST** compete in one of the SNHDCTA dressage schooling shows to be considered for awards

Combined Training has a new division this year; competitors may submit 3 scores from 2 or 3 phase shows that follow USEA rules – you may not combine 2 & 3 phase scores.

Club members may choose to attend any show which is open to the public (no in house schooling shows) and have their scores count toward year end awards

Horse/Rider combinations who have previously won a year end division ARE NOT eligible in that division (e.g. Intro Champion horse/rider combination may not submit scores for Intro)

Horse/rider combinations may submit scores for two consecutive levels (i.e. training & 1<sup>st</sup>)

Scores must be submitted on official score tracking forms. Score tracking forms are included in the newsletter or on our web site [www.snhdcta.org](http://www.snhdcta.org)

The three scores need to be earned by **one horse and rider combination**. Scores submitted from multiple horses for 1 division will not be accepted.
